

BSAC AMG Rebreather Diver Course Student Evaluation Form

This document is part of the recording system for the BSAC Rebreather Diver Course and becomes a record of the training given, the standards of performance achieved and details any remedial training necessary for each individual student.

The instructor should fill in each section of the form as he /she completes each section of the course or at the completion of each day. The instructor should discuss the contents with the trainee in order to agree current achievement and future progress.

At the end of the course the instructor should have completed one of these forms for each student. The contents of the document should be agreed with each student and any future actions noted and explained to that student.

A copy of this report should be given to the student. An additional copy should be sent to the BSAC Chief Technical Instructor at BSAC, Telford's Quay, South Pier Road, Ellesmere Port, Cheshire CH65 4FL along with any other course returns. Email: tech.chief@bsac.com

It is recommended that the instructor / centre retain a copy for his / her own records as proof of training given.
