Background

BSAC Expedition Leaders must be appropriately qualified and have sufficient experience for the expedition they wish to lead.

For a BSAC branch expedition, the Branch Diving Officer is ultimately responsible.

For BSAC Regional, BSAC REDS and BSAC National Expeditions it is the role of the BSAC Expeditions Officer and members of the NDC Diving Group to formally approve the expedition on behalf of the National Diving Officer.

Written approval of the expedition is required from the BSAC Expeditions Officer before a BSAC Regional, BSAC REDS or BSAC National Expedition can be recognised as a BSAC expedition.

Submit the completed expedition approval form to the:

BSAC Expeditions Officer,
BSAC Headquarters,
Telfords Quay,
South Pier Road,
Ellesmere Port
CH65 4FL
