

BSAC Council – recruitment of Independent Non-Executive Director (NED)

1. Welcome from the Chair – Andy Shenstone

Thank you for your interest in becoming an independent Director of the British Sub-Aqua Club (BSAC). BSAC is the National Governing Body for scuba diving and snorkelling in the UK. Council is BSAC's Board of Directors. Council sets BSAC's strategic direction and oversees its implementation.

BSAC has greatly benefitted from having independent Directors on Council for the past two years and we currently have a vacancy for one position.

We're looking for someone who has not had any previous involvement with BSAC.

As specified by the Sport and recreation Alliance (SRA) *"independence is defined clearly to mean that directors have no interest in the organisation which could influence their objective judgement, as the more directors know about the company and its operations, the less objective they become"*. This means that to be eligible you cannot be or have been a member of BSAC.

Council wishes to appoint a motivated individual who meets the person specification and is willing to contribute their time free of charge (excepting expenses). We are especially interested in candidates with experience of a National Sports Governing Body other than BSAC.

As a Council member, you will be an independent director of BSAC Ltd. and its subsidiary BSAC International Ltd. Your appointment would be for three years, with the option of a further three year period by mutual consent.

If you would like learn more feel free to contact me directly for an informal conversation.
