

# Diver Experience Record

Student Name: .....

Membership Number: .....

Key  
The code is an indication of where  
the experience might count for diver  
grade experience

O Ocean Diver  
S Sports Diver  
D Dive Leader  
A Advanced Diver

Environment/Platform											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
O	Freshwater quarry										
O	Freshwater lake										
O	Freshwater river										
O	Sea										
O	Shore dive - walking entry/exit										
O	Shore dive - deep water entry/exit										
O	Warm water >20C										
O	Temperate water 10 -20C										
O/S	Cold water < 10C										
S	Very cold water < 6C										
O	Wetsuit - shorty/dive skin										
O	Wetsuit - full										
O/S	Drysuit										
O	Visibility 30m+										
O	Visibility 10 - 20m										
O	Visibility 20 - 30m										
O	Visibility 4 - 10m										
S	Visibility 2 - 4m										
D	Visibility 0-2m										
O	Small boat dive - backward roll										
O	Small boat dive - side roll entry										
O	Small boat dive - jump entry										
O	Small boat dive - in water dekit exit										
O	Large boat dive - jump entry										
O	Large boat dive - backward entry										
O	Large boat dive - ladder exit										
O	Large boat dive - lift exit										
O	Boat dive - onto shotline										

Equipment/Techniques											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
S	Surface Marker Buoy (SMB)										
S	DSMB - fixed deployment										
S	DSMB - bottom deployment										
D	DSMB - mid water deployment										
S	Distance line										
S	Compass - reciprocal										
S/D	Compass - navigation										
O/S	Shotline descent/ascent										
S	Shotline descent/ascent - current										
O/S	Shotline - safety stop										
S/D	Shotline - deco stop										
D	Lazy shot - deco stop										
D	Deco trapeze - deco stop										

Breathing Gas											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
S	Air										
S	Nitrox - > 23% up to 36%										
S	Nitrox - bottom gas up to 40%										
D	Nitrox - Deco gas up to 50%										
S	Nitrox - Deco gas 50 - 100%										
S	Trimix - >=20/<=30										
S/D	Trimix - < 20% O2 - 60m										
S	Trimix - 80 - 100m										
S	Rebreather - air diluent										
S	Rebreather - limited deco Trimix										
S/D	Rebreather - extended deco										

Breathing Systems											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
S	Single cylinder										
S	Single cylinder and pony										
S	Twin-set - independent										
D	Twin-set - manifolded										
S	Twin-set - sidemount										
S	Stage cylinder - deco										
S/D	Two stage cylinder - deco										
S	Rebreather - SCR										
S	Rebreather - CCR no deco										
S	Rebreather - CCR limited deco										
S/D	Rebreather - CCR extended deco										

Dive type											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
S	Reef dive										
S	Wreck dive - < 20m										
S	Wreck dive - 20 - 35m										
D	Wreck dive - > 35m										
S	Wreck dive - dispersed										
S	Wreck dive - intact										
S/D	Wreck penetration - exit in view										
S	Drift dive - < 1 kn										
S	Drift dive - 1 - 3 kn										
S	Drift dive - > 3 kn										
S	Night dive										
O/S	Wall dive										
S	Altitude dive										
S	Navigation dive - pilotage										
S	Navigation dive - compass										
S/D	Cavern - exit in view										

<b>Depth progression</b>											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
O	6 - 10m										
O	10 - 15m										
O	15 - 20m										
<b>Post Sports Diver</b>											
S	25m										
S	30m										
S/D	35m										
<b>Post ADP + Twin-set</b>											
S	40m										
<b>Post Trimix training</b>											
S/D	Sports mixed gas - 50m										
S/D	Explorer mixed gas - 60m										
S/D	Advanced mixed gas - 80m										
S/D	Advanced mixed gas - 100m										

<b>Project diving</b>											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
O	Marine life survey - basic										
O	Marine life survey - transect										
O	Marine life survey - quadrat										
S	Marine life ID										
S	Wreck Appreciation										
S/D	Wreck survey										
S	Search - circular										
S/D	Search - swimline										
S/D	Search - jackstay										
S/D	Photography										
S/D	Videography										

<b>Other experience</b>											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.

Dive Leading											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
O/S	Leading instructor/dive Leader										
O	Leading fellow Ocean Diver - DM*										
S	Leading Ocean Diver - DM*										
S	Leading fellow Sports Diver - DM*										
S	Leading fellow Sports Diver										
D	Leading Trainee experience dive										
D	Leading OD experience dive										
D	Leading SD experience dive										
D/A	Leading DL experience dive										
D	Leading depth progression - < 20m										
D	Leading depth progression - 20 - 35m										
D/A	Leading depth progression - > 35m										
D	Leading drift dive										
D	Leading night dive										

\* DM = dive conducted under control of a Dive Manager

Dive Management											
Code	Description of Experience	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.	Date	Inst. No.
S	Assistant Dive Manager										
D	Dive Manager - managed site										
D	Dive Manager - charter skipper										
D/A	Dive Manager - known site										
D/A	Dive Manager - unknown site										
A	Dive Manager - short Expedition										
A	Dive Manager - long Expedition										
D	Dive Manager - drift dive										
D	Dive Manager - minimal deco										
D/A	Dive Manager - extended deco										
D/A	Dive Manager - training dive										

Diving milestones									
		Qualifications				Total Dives			
Qualification	Date	Qualification	Date		Total Dives	Date	Total Dives	Date	
Ocean Diver					5		150
